**Matt Cox**

Regional Sales Manager

Matt began his nonwoven career in 1996 in value-added converting for niche markets including polishing, fluid transfer, filtration, medical, automotive, aerospace, and heavy industry. In 2006, he joined a multinational and enjoyed the role of business development with projects on four continents. 2010 brought Matt the opportunity to be the VP of sales for a needle punch manufacturing and converting “turn around team” which transitioned the company back to private ownership and where he also completed his MBA. Superior Felt & Filtration has been Matt’s business home since 2014 where he manages the southeast region. Combining his experience with Superior Felt & Filtration’s manufacturing and converting expertise for the mutual benefit of all stakeholders continues to be Matt’s passion.

---

**James Allan**

Regional Sales Manager

James graduated from the University of Waterloo, Ontario, Canada with a Bachelor of Applied Science degree in Chemical Engineering. He started working for the 3M company as a Technical Service Engineer, working with various popular consumer brands that included Scotchbrite™ branded nonwovens. His expertise included handling Specialty Membranes, Refrigerator Filters and Enterprise Filtration Medias. James joined Superior Felt and Filtration in 2018 as the Regional Sales Manager based out of Minnesota. His breadth of knowledge in the filtration and nonwoven markets was an ideal fit for the growth of Superior Felt. James supports a vast northwestern territory includes the mountain states and the Western Provinces of Canada.

---

**Daniel Villalobos**

Regional Sales Manager

Daniel Villalobos is an experienced Multi-Cultural Sales Manager with over 13 years of experience working for multinational companies. Started in the filtration industry in 2009 in Mexico, working for a worldwide leader of filtration, managing sales across Latin America for different segments and applications such as: hydraulics, oil & gas, and manufacturing. By 2014 he joined a European company that was a global leader in connecting solutions, occupying roles as Regional Sales Manager and Key Account Manager in Canada, US and Europe, for the automotive, plumbing, and medical segments. In 2020 Daniel became part of Superior Felt and Filtration team as a Regional Sales Manager for Canada and Latin America. Daniel's success in these markets gave him the opportunity to expand his territory that now includes the U.S. West Coast.
