CONTRACT MANUFACTURING

# Injection Molding Services

For Air & Water

- 3D Prototyping
- Mold Development Coordination
- Part Validation Per:  
(ISO 9001 OR ISO 13485)
- Part Production

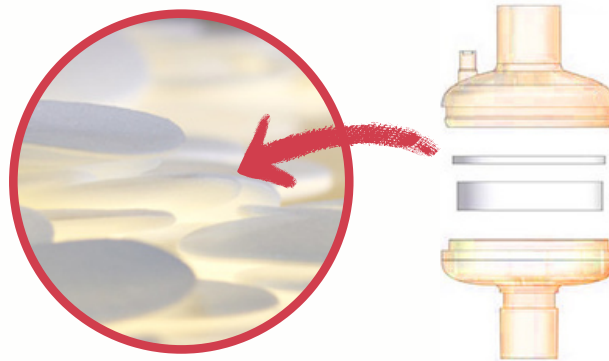

Custom Injection Molding

**SUPERIOR**  
Felt & Filtration

**Exclusive North American  
Provider of Technostat®**

  
**TECHNOSTAT®**

*Technostat® is the sole property of Hollingsworth & Vose*

**Technostat®** is a tribo-electret media and has unique charged characteristics which allow the filtration of submicron particle sizes.

- *Our benchmark testing done at Nelson Labs has resulted in hydrophobic filters obtaining up to \*99.9999% efficiencies against the transmission of many harmful bacteria and viruses*
- **Effective against SARS-CoV-2**

*\* Based on Nelson Reports on Technostat® 300*
